

Announcement

Online Registration System

As an effort to create a pool of credible and reliable suppliers base in various work categories, Oman Tourism Development Company (Omran) invites all potential suppliers and vendors to register through its integrated Online Registration System to participate in applicable tenders.

The new system will give Omran a direct access to the qualified suppliers/vendors registered in the database for any future business requirement.

All interested an qualified suppliers can submit their registration on Omran website at:

www.omran.om/tenders

For any enquiries about the Online Registration System, please email: **vr@omran.om**
